Repeater trustee Steve Dold W6KCS gave his report. He said that the repeater has been running fine with deviation and frequency within limits and that he cut the weeds there a couple of weeks ago.

President Gary Matteson WA6TQJ announced that there will be no Field Day at UCD. Suggestions are welcome but none had been forthcoming so far.

Membership moved to Zoom where Bill Ragsdale K6KN gave a presentation on transmitter hunting. He explored the technical and social aspects of its various forms.

Members moved back to the K6MVR repeater to close the meeting. Before doing so President Gary Matteson WA6TQJ announced that elections will be held at the July meeting and that it may be held at Explorit pending their approval.

Meeting adjourned approximately 2030 hours.
