Available Balance - Mar. 31 (ending balance less encumbrances)
\$4,771.63

Member Dues Paid:

None.

Pending Checks:

None

Old Business – Cache Creek Ridge Ride Communications Coordinator Rick N6KLB announced that the event was officially going to happen on 1 May in compliance with COVID19 restrictions imposed by the government.

New Business – President Gary Matteson gave a report on the status of the K6JRB repeater located on the UCD campus. He reported that Steve Dold W6KCS, Dave Nishikawa KC6YFG, and he went onsite to troubleshoot the apparent lack of transmission by the repeater. The power amp was removed and the exciter connected directly to the antenna duplexers. Options are not being explored to either find a replacement PA, repair the old one, or replace the GE Mastr II with a Kenwood system.

Membership moved to Zoom where Gary Matteson WA6TQJ gave a presentation on event communications done by MVRC/YARS.

Members moved back to the K6MVR repeater where president Gary Matteson WA6TQJ adjourned the meeting at 2029 hours.
